WHY OUR COFFEE FUNDRAISERS WORK?

If you are going to sell a product for your fundraising efforts, provide something the vast majority of your customers already desire. 86% of households already drink coffee. Many are tired of cookies & candy.

With over 5000+ positive coffee reviews our Jo Coffee brand is one of Amazon's highest rated organic coffee brands. You can be confident your supporters/customers will love it too. Great coffee makes people happy.

WHY THE JO COFFEE COLLECTION?

We offer 4 different USDA Certified Organic, eco-friendly SingleCup Jo items for single serve Keurig K-Cup® type brewers, including Keurig® 1.0 and the newest Keurig® 2.0 brewers. No plastic cups! In our filter cup technology, the coffee blooms providing far superior flavor extraction. Our eco-friendly filter cups are better for the environment with far less packaging waste.

We also offer 20 different Jo Coffee bagged (10 whole bean and 10 ground coffee) items and are USDA Certified Organic and Fair Trade Certified. These come in 12 oz. packages in whole bean or ground format including a very hard to find USDA Certified Organic decaf.

Specialty Java Inc. the parent company of Jo Coffee Inc, is a member of the Specialty Coffee Association of America, The Roaster's Guild, Rainforest Alliance, Fair Trade Certified USA and Slow Food USA.
